

State of Georgia Job Description

Job Family: Engineering
Job Code: ETP124
Job Title: GDOT Pro Civil Engineer 5
Functional Level: Professional (PRO)
Pay Plan: Statewide Salary Plan (SWD)
Grade: O
Salary Range: \$69,134.16 - \$91,309.47 - \$113,484.78

Job Summary:

Under limited supervision, serves as a lead engineer performing engineering assignments. Provides engineering assistance developing project plans, designs, or traffic engineering studies and other related documents, field experience with traffic signals and ITS hardware, cost estimates and other engineering technical reports for transportation projects. Provides training, support and knowledge sharing to other engineers.

Primary Duties & Responsibilities:

Entry Qualifications:

Bachelor's degree in Engineering from an A.B.E.T.-accredited program OR equivalent degree in a related field OR Valid State of Georgia Engineer-in-Training (EIT) certification OR Professional Engineer (PE) license issued by the State of Georgia and two (2) years of job-related experience.

For international degrees:

Applicants with a bachelor's degree from an international institution must submit a course-by-course evaluation from a GDOT-approved credentialing provider.

Preferred Qualifications:

In addition to Entry Qualifications, Preferred Qualifications may be added by the agency.

NOTE:

The above job description represents the general nature, primary duties and responsibilities, and qualifications for the work performed by employees within this job, but is not a comprehensive and exhaustive list. Employees may be required to perform other duties as assigned, and specific duties, responsibilities, and activities within the core nature of the job may change at any time with or without notice. Employees must be able to perform the essential functions of the job, as specified by the employing entity, with or without reasonable accommodation.
